

CHA

Crestwood
Hills
Association

October 17, 2018

Dear Crestwood Hills Residents,

As announced at the CHA Annual Meeting—to support important safety, social, and other board goals—the CHA Board is recommending a small increase in the annual membership dues from \$75 to \$100. This is the first such adjustment to be proposed in many years, and as a final step in the approval process, a special meeting is being called to allow members to vote on the measure.

The CHA Special Meeting will take place on Sunday, December 16th at 3:30pm at the Crestwood Hills Park Recreation Center. All members with current, up-to-date 2018 dues are invited to vote, one per household.

We sincerely hope you will attend the special meeting and register your support for the future wellbeing of our unique community. If there are any questions or concerns regarding this proposed increase or the special meeting, please contact the board by emailing us at hello@crestwoodhills.com.

Sincerely,

Kate Blackman
President
